1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of students attending the school.

The policy was approved by the school patron on 19/08/2020. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Meán Scoil Mhuire's admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. Characteristic spirit and general objectives of the school

Meán Scoil Mhuire is a Catholic all girls voluntary secondary school with a Catholic ethos under the trusteeship of CEIST (Catholic Education an Irish Schools' Trust).

In accordance with S.15 (2) (b) of the Education Act, 1998, the Board of Management of Meán Scoil Mhuire shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

"Catholic Ethos" in the context of a Catholic voluntary secondary school means the ethos and characteristic spirit of the Roman Catholic Church which aims to promote:

- (a) the full and harmonious development of all aspects of the person, including the intellectual, physical, cultural, moral and spiritual aspects; and
- (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith

in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

Catholic education is therefore a lifelong process of human growth and development which has been at the heart of the Church's mission since Jesus Christ urged his disciples to 'go teach all nations'. The person of Christ is the core of Catholic education.

Meán Scoil Mhuire draws on the richness of the religious and cultural heritage of the past, interpreted and lived out for students living in today's world. The charism of founder Mother Catherine McCauley, of the Mercy Order who began this school, is of very significant importance in the life of the school.

As a CEIST school, Meán Scoil Mhuire values teaching as one of the most important of all human activities. Our school seeks to build a quality learning community that welcomes, and bears witness to the Gospel values of Jesus Christ, expressed through the lens of the CEIST Charter.

These are encapsulated in the core values which are intended to support and nourish the lives of the people who are at the heart of our schools.

-Promoting Spiritual and Human Development

-Achieving Quality in Teaching and Learning

-Showing Respect for Every Person

-Creating Community

-Being Just and Responsible

Meán Scoil Mhuire is inspired by the words of Jesus Christ to his disciples, "I have come that they may have life and have it to the full" (Jn 10:10). Because of this, Meán Scoil Mhuire provides a rich, holistic education in the Catholic tradition where engagement with and development of the whole person; the intellectual, moral, religious, physical, spiritual and psychological are at the core of our practice.

Education has as its goal the formation of a human person who is free, rational and mature in relationships. Meán Scoil Mhuire offers educational opportunities which promote excellence so that students can respond responsibly and creatively to their own lives, the lives of others and to the earth, which is our common home.

In Meán Scoil Mhuire the dignity and uniqueness of every human being as a child of God is acknowledged and affirmed. The Catholic school is an inclusive community, ideally built on love and formed by the interaction and collaboration of its various components: students, parents, teachers, non-teaching staff and members of the Board of Management. Catholic schools are also outward looking. They are connected to their local parish and Diocese and other local organisations which enrich the life of the school. Our school draws on the rich resources of the local community and, in turn, contributes to the life of the local community.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports the formation in faith of our students through many school-based experiences of prayer and ritual. All students' spiritual growth is further enhanced through such areas as sport, language, nature, art, poetry and music.
